Accurate study guides, High passing rate!  
IT-dumps provides update free of charge in one year!

**Exam : HP2-I17**

**Title : Selling HP Printing  
Hardware 2020**

**Version : DEMO**

### 1.DRAG DROP

Match the customer objection on the left with the correct response on the right.

| Customer objection   | Correct response  |
|--|---|
| I can get a better price on cartridges from your competitor. They are not original, but they told me that this would not void my warranty. | PageWide offers best-in-class print speeds by printing across the page in a single pass.  |
| I am happy with the LaserJet in my home office and I'm unsure that PageWide will give me the print speed I need.                           | HP printers are designed for all-round usability and feature intuitive buttons and control panels, convenient paper tray and cartridge access, and remote configuration/management. |
| Your competitor will sell me a printer that is easy for my employees to use with no training.  | PageWide printers have fewer moving parts, resulting in less maintenance, which is an expense you might not have considered.  |
| Your competitor's printers deliver significant cost savings and I am happy with their performance.   | The use of third-party compatibles does not void printer warranty, but printer damage caused by a third-party cartridge is not covered by HP.                                       |

**Answer:**

### 2.HOTSPOT

Identify each characteristic on the left as describing either transaction-based sales or contractual partnerships.

**Answer Area**

| Characteristic   | Sales model   |
|--|---|
| Is a less-complex sales process                                  | Transaction-based sales<br>Contractual partnerships |
| Does not lead to customer loyalty or a predictive revenue stream | Transaction-based sales<br>Contractual partnership  |
| Leads to more upsell and cross-sell opportunities                | Transaction-based sales<br>Contractual partnerships |
| Requires more commitment, knowledge, and expertise               | Transaction-based sales<br>Contractual partnerships |

**Answer:**

**Answer Area**

| Characteristic   | Sales model  |
|--|--|
| Is a less-complex sales process                                  | <input type="checkbox"/> Transaction-based sales<br><input checked="" type="checkbox"/> Contractual partnerships |
| Does not lead to customer loyalty or a predictive revenue stream | <input type="checkbox"/> Transaction-based sales<br><input checked="" type="checkbox"/> Contractual partnership  |
| Leads to more upsell and cross-sell opportunities                | <input type="checkbox"/> Transaction-based sales<br><input checked="" type="checkbox"/> Contractual partnerships |
| Requires more commitment, knowledge, and expertise               | <input type="checkbox"/> Transaction-based sales<br><input checked="" type="checkbox"/> Contractual partnerships |

**Explanation:**

- ☞ a) Is a less-complex sales process: Transaction-based
- ☞ b) Does not lead to customer loyalty or predictive revenue stream: Transaction-based
- ☞ c) Leads to more upsell and cross-sell opportunities: Contractual partnerships
- ☞ d) Requires more commitment, knowledge, and expertise: Contractual partnerships

3. Your customer is interested in HP Care Pack services for their printers that are out of warranty. What should you tell your customer?

- A. Customers with existing Managed Print Service (MPS) contracts can add Care Packs in a co-management approach.
- B. Care Pack services must be purchased during the life of the warranty on the product.
- C. Care Pack services can only be purchased for printers that pass inspection by HP security advisors.
- D. Post-Warranty Care Pack services are available in one- and two-year increments.

**Answer: D**

4. HP JetAdvantage is a cloud-based print analytics platform that saves up time and maximizes resources. Which additional business function does it provide?

- A. It monitors deterioration of printers and proactively schedules maintenance visits.
- B. It helps customers understand the risk of overspending when the cost per page increases by a targeted percentage.
- C. It encourages customers to trade in their non-supported and non-HP devices for more cost-effective HP devices.
- D. It enables customers to track pages and costs by user, application, location, color, and duplex.

**Answer: D**

5. Why is it as important to secure networked printers as it is to secure networked PCs?

- A. Studies show that ransomware attacks through printing devices are becoming more dangerous.

- B. An unprotected printer exposes the entire network to cyberattacks.
- C. Printer ports are the most vulnerable link in a company's intranet.
- D. Malware attacks on printers comprised the majority of cybercrimes over the last three years.

**Answer: B**
